Deafness Cannot be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

MRS. MARY A. BISSET.

Mrs. Mary A. Bisset, relict of Robert Bisset, died yesterday afternoon at 12:15 o'clock at her home in East Second street, after a short illness with stomach trouble, aged 66. She was preceded to the grave by her husband twelve years ago.

The deceased was a daughter of the late Captain Miller, Banker and steamboat owner of Pittsburgh, Pa., and was born in that city April 13th, 1844, removing with her husband to this city forty-five years ago, where she continued to reside, honored and respected by the entire community.

Mrs. Bisset was a lovely character and a devout Christian, being a consistent and zealous member of the First Presbyterian Church, whose precepts were her guide through her useful life.

She is survived by a son and daughter, Mr. Robert J. Bisset of this city, and Mrs. Albert Greenwood of Knoxville, Tenn., also one brother and two sisters, Mr. John Miller, Mrs. Charles A. Lattimer and Mrs. Ellery Douda, all of Pittsburgh, Pa.

The funeral will occur tomorrow afternoon at 3 o'clock from her late home, with services by Rev. John Barbour of the First Presbyterian Church, the interment following in Maysville Cemetery.

JOSEPH WAGNER.

Mr. Joseph Wagner died Monday morning at 6:45 o'clock at his home on the race track

ELECTRIC ALARM SYSTEM

Maysville at Last to Have Modern Fire-Fighting Plant to Rival Up-to-Date Cities

\$5,000 Knox Auto Combination Fire Wagon, Carrying Chemical Machine, Ladders, Hose, Etc.

The City Council of Maysville has at last adopted definite and advanced plans to give our municipality a modern fire-fighting plant.

The latest Improved Knox Auto Combination Fire Wagon has been purchased from the Knox Auto Company of Springfield, Mass., at a cost of \$5,000. The machine, which is the latest pattern 80-horse-power auto, will carry three men, one 35-gallon chemical extinguisher, two 3 gallon hand chemical extinguishers, a full complement of ladders, to-wit: One 15 foot wall ladder, two 30-foot rapid-boist extension ladders and one 12-foot scaling ladder. In addition it will have a complete outfit of axes, hooks, etc., and door-openers to force open doors without breaking the glass. The chemical machines are for special use to smother incipient fires, which point is the most important in every city. The car will also carry 1,200 feet of 2 1/2-inch fire hose.

The headquarters of Maysville's first paid Fire Department will very properly be located in Washington Opera-house, the property of the Washington Fire Company, which yesterday signed the lease to the city for such purpose for one year, with an indefinite further lease. This gives the system the most central location in the city, right in the heart of the congested district, with nearly an air-line of three miles to operate the lightning-fast auto wagon up and down Second street, from the Electric Light Plant in the West End to the Car Barn in the East End.

The city has about closed the contract with the Gamewell Electric Company of New York City to install the "Gamewell System" of municipal electric fire alarm for Maysville, but until the bid of the Dean Electric Company of Elvira, Ohio, is received and understood the deal will not be consummated. However, the Gamewell may be selected, and the work of construction will begin by July 1st, and by August 1st, next, the new electric and auto system will be in actual use and operation in Maysville.

The electric fire alarm system, which dispenses with men ringing the fire alarm bell, acts automatically, and consists of twelve fire alarm boxes for this city, two in each of the six wards. Each box will connect with the central dynamo in Washington Fire Hall, and when an alarm is turned in by breaking the glass in any of the twelve boxes the big 1,000-pound power hammer strikes the Ward and box number on "Big Ben," the bell in the tower at headquarters, and the human fire fighters, who will be there at all hours of the day and night, will slide down a pole under their dormitory, mount the \$5,000 auto machine and they're off in just one minute from the time the alarm sounds. This beats the old method, don't you think?

As an evidence of the modern efficiency of the electric alarm and auto system, the insurance companies have already assented to a substantial lowering of fire insurance rates in Maysville.

Another advantage that goes with the electric system is that it includes a police record and alarm, requiring each "Bobby" on duty to "ring up" every half hour during the night, or, oftener, if necessary, which is automatically recorded at police headquarters and absolutely

assures vigilance by the police, which is one of the greatest safeguards we have for the protection of life and property.

The new Chief of the Maysville Fire Department is Mr. Edward Hite of Paris, Ky., now a resident of our city, and whose many years' experience in the business qualifies him for the duties mapped out here.

We understand that the American Tobacco Company and the Ohio Valley Pulley Works have volunteered to place alarm boxes in front of their plants at their own expense, about \$100 each, and other manufacturing concerns may follow suit.

Understand, that while the Fire Department is to be located in Washington Opera-house and the Chief and firemen will sleep there, have their headquarters and keep the Knox auto fire wagon there, yet these things will in no way interfere with the other features now in operation there—the Opera-house, Art Shop, etc.

The new electric fire alarm will likely be installed by the Maysville Telephone Company, and the power, of course, come from the Maysville Gas and Electric Company.

With our new brick streets, six miles of new cement sidewalks, oiled streets and natural gas by November 1st, maybe you think Maysville is not going to bum!

In the Police Court yesterday afternoon Judge Whitaker passed out the following prize packages—John Wells, colored, carrying concealed weapons, \$30 and ten days in Jail; Dick Watts, drunk and disorderly, \$15.50; James Burger, drunk, \$6.50; Harve Jarvis, \$6.50; Nathan Russell, breach of peace, \$6.50; for the good of the community.

GOLDSBORO HEARD FROM

A Lady Who Lives in Goldsboro Joins in the Chorus of Praise for Cardui, The Woman's Tonic.

Goldsboro, N. C.—"A physician treated me for many distressing symptoms," writes Mrs. Etta A. Smith, "but gave me no relief."

"I suffered with neuralgia around the heart and was troubled at times with my head. I had pain in my left side, bowels, left thigh, shoulders and arms."

"After taking Cardui, I am now well and can recommend it to other suffering women."

Just such doubtful symptoms, as those from which Mrs. Smith suffered, are the ones for which it will pay you to take Cardui, the woman's tonic.

It is at such times, when there is nothing to show, for certain, the real cause of the trouble, that you need a tonic, to give the body strength to throw off the illness that evidently threatens.

Take Cardui, when you are ill, with the ailments of your sex. Take Cardui as a tonic, to prevent illness, when you feel it coming.

Your druggist keeps it.

HANDICAPPED.

This is the Case With Many Maysville People.

Too many Maysville citizens are handicapped with a bad back. The incessant pain causes constant misery, making work a burden and stooping or lifting an impossibility. The back aches at night, preventing refreshing rest, and in the morning is stiff and lame. Plasters and liniments may give relief but cannot reach the cause. To eliminate the pains and aches you must cure the kidneys.

Doan's Kidney Pills cure sick kidneys and cure them permanently. Can you doubt Maysville evidence?

Mrs. Nathan A. Hafer, Maysville, Ky., says: "My opinion of Doan's Kidney Pills is so high that I have not the least hesitation in publicly recommending them. For ten years I was bothered by kidney complaint, during which time I tried various remedies without obtaining benefit. There was a constant, dull ache across my back, often accompanied by sharp rheumatic twinges throughout my body. I was also subject to nervous headaches and dizzy spells, and on arising in the morning I felt tired. My husband advised me to give Doan's Kidney Pills a trial, and I procured a box at J. Jas. Wood & Son's Drugstore. They cured me in a short time."

NEW CHILD LABOR LAW

The new Child Labor Law went into effect on June 14th, and it will be well for employers to look into it, as the provisions of the law affect all people employing children between fourteen and sixteen years of age.

Under the old law only factories, workshops, mines and mercantile establishments were required to have School Superintendent's certificates, but now no one is exempt.

All the fines resulting from the violation of the law go to the school fund in the district in which the fines are levied.

The contract for the Adams County (O.) Courthouse to be built at West Union has been let to James Skene & Sons, Huntington, W. Va., for \$32,417.

Comrade James Griffith, one of Maysville's most popular old soldiers, attended the recent annual State Encampment, G. A. R. of Ohio at Xenia. General A. J. Axline was elected Commander and the crowd present was 25,000. Uncle Jim says they sure know how to do things in Ohio. He also visited many other points of interest in the Buckeye State.

A Poor Weak Woman

As she is termed, will endure bravely and patiently agonies which a strong man would give way under. The fact is women are more patient than they ought to be under such troubles.

Every woman ought to know that she may obtain the most experienced medical advice free of charge and in absolute confidence and privacy by writing to the World's Dispensary Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y. Dr. Pierce has been chief consulting physician of the Invalids' Hotel and Surgical Institute, of Buffalo, N. Y., for many years and has had a wider practical experience in the treatment of women's diseases than any other physician in this country. His medicines are world-famous for their astonishing efficacy.

The most perfect remedy ever devised for weak and delicate women is Dr. Pierce's Favorite Prescription.

IT MAKES WEAK WOMEN STRONG.

A START MADE.

Kelley Bros., contractors, broke ground in Market street this morning as a starter in the brick street construction. They began work on the concrete curbing and guttering preparatory to the ripping up of the street and the laying of brick. Old Market has been in a chaotic state for some time and will continue so from now on until the street is bricked from Second to Third. Well, let it be so; the improvement when completed will recompense for the discomfort undergone during the construction.

Our Hot Weather Garments Are Now in Order.

Keep Cool at Small Outlay

Our Cravenetted English Mohair Coats and Pants, "strictly confined to this store," are simply the most elegant hot weather garments shown in the State. A pair of Linen Light-Weight Crash Pants aren't had to lounge in. We have them in all sizes. Just received, two more cases of the celebrated ECLIPSE Negligee Shirts. Also, a case of elegant Soft Shirts, with collars and cuffs attached—a delightful summer shirt. These are made to our special order. Mothers, buy our beautiful Romper Suits for the little ones; they are a boon to them in this temperature.

THREE MEN BURIED IN CAVE-IN

Yesterday afternoon about 3 o'clock three men, Joseph Purden of Short street, Hunter Cooper and a colored man named Carl Ward, came within an ace of losing their lives. They were employed in the L. and N. gravel pit, South of the roundhouse, and without a minute's warning they were buried with several tons of earth falling in on them. Quick action by the foreman and other employees in digging the men out alone saved them from a horrible death. While all suffered more or less injury, Purden was seriously hurt, being cut about the head and face and body bruised. He is still confined to his bed.

PASTOR INSTALLED

Rev. W. W. Akers Begins His Pastorate of Louisville Church

The Rev. W. W. Akers, former Pastor of the Central Presbyterian Church, was installed as Pastor of the Crescent Hill Presbyterian Church, Louisville, Sunday afternoon. He succeeds the Rev. C. W. Sommerville, who resigned to accept a chair in the Theological Seminary at Clarksville, Tenn.

The congregation received the new Pastor with hospitality and welcomed him to his new home.

Dr. E. W. Smith presided over the services and preached the first sermon and Rev. D. W. Sweets, Editor of The Christian Observer, charged the new Pastor. In making his address to the congregation, the Rev. Mr. Sweets urged the members of the Church to co-operate with Mr. Akers in helping to do all that is good and worthy.

A. Y. Davis spoke briefly to the congregation, thus completing the formal installation ceremonies.

Rev. Akers and family are now at home at 162 Crescent avenue, Crescent Hill, Louisville.

Mr. Charles Mason and family have moved back to this city from Ripley and have taken up their residence at No. 709 East Third street.

A FREAK ECLIPSE

Sun's Light to Be Obscured on Next Friday

An eclipse of the sun, unlike other events on record, is scheduled for next Friday and will be visible in this latitude. Eclipse will be of a very interesting character, from the fact that for a few seconds it will be an annular eclipse and then back to an annular for the second time. There is no record of any such occurrence in any history of astronomy although there is a record of annular eclipses for four hundred years and of total eclipses for thousands of years. The eclipse as a partial phase of greater or less magnitude will be visible over the North American continent from the North, decreasing in size as it passes through Canada and the States. It will begin shortly after 7 o'clock in the morning and last all day.

SCIENCE PREVENTS BALDNESS.

The Fatal Germ and Its Remedy Now Facts of Science.

It is the rarest thing in the world for a man to be necessarily bald. No man whose hair is not dead at the roots, need be bald if he will use Newbro's Herpicide, the new scalp antiseptic. Herpicide destroys the germ that cuts the hair off at the root; and cleans the scalp of dandruff and leaves it in a perfectly healthy condition. Mr. Mannett, in the Maryland Block, Butte, Mont., was entirely bald. In less than a month Herpicide had removed the enemies of hair growth, and nature did its work by covering his head with thick hair an inch long, and in six weeks he had a normal suit of hair. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

\$1 bottles Guaranteed.
